June 22 – September 7, 2019

Warmest Greetings from the Faculty of English Linguistics & Literature, University of Social Sciences & Humanities, Vietnam National University - Ho Chi Minh City (EF, USSH, VNU-HCM)!

It is our great pleasure to extend this invitation to you to **EFUTURE TRANSLATORS' CONTEST 2019**, a competition held every two years as part of our traditional **EFAIR** event of the EF-USSH. The Contest will be conducted with three rounds at the USSH, VNU-HCM, from June 22 to September 7, 2019. Participants will include students of all training sections from various high-schools, colleges and universities in Ho Chi Minh City, especially those with great passion for **Translation** as either a future profession or an academic pleasure.

The Contest, organized by the EF's Department of Translation & Interpreting (DTI) and English Exchange & Events Club (EeeClub), is envisioned as a level playing field for lovers of translation to show their language and culture competence and form lasting friendships through team competition as well as a forum to exchange ideas, experiences, best practices with professors, experts, and professionals in Translation from the EF and other universities and educational organizations.

We truly wish to welcome your students' participation, whether as competitors or audiences, during the course of the Contest.
